Email: 11e23.harshita@gmail.com

I'm a second-year AIML undergrad at BIT Mesra, deeply interested in artificial intelligence, machine learning, and data science. I'm eager to expand my knowledge through hands-on projects and research, applying theoretical concepts to real-world challenges. My goal is to build a strong foundation for a career in AI and ML.

EXPERIENCE

IET On Campus - BIT Mesra

February 2024 - Present

Technical Team Member

EDUCATION

Birla Institute of Technology, Mesra

September 2023 - July 2027

Bachelor of Technology - BTech AIML

Grade : 8.17(3 Semesters)

Delhi Public School, Ranchi

June 2021 - February 2023

12th Boards PCM with CSE

- Grade: 93.2%

Loreto Convent School

April 2014 - February 2021

10th Boards

- Grade: 97.8%

SKILLS

Data Structures and Algorithms

HTML

CSS

JavaScript

JAVA

Problem Solving

Communication Skills

LANGUAGES

English (Fluent), **Hindi** (Fluent)

COURSES

Geeks For Geeks

Solved 130+ questions on DSA

DSA course by Love Babbar

February 2024 - June 2024

The DSA course enhanced my problem-solving skills, teaching efficient techniques like sorting, dynamic programming, and selecting optimal data structures, which improved my ability to approach and solve complex coding challenges.

VOLUNTEERING

National Service Scheme(NSS)

HOBBIES

Hobbies

Listening to music

Competitive Programming

Feeding the stray animals
